2. Most of these actions concern what was a study completed early 1979, entitled the "Hostile Intelligence Services Multidisciplinary Threat and US Countermeasures". This assessment paper was sent out 1 June 1979 to those agencies in the Community with military and/or CI responsibilities i.e., State, Defense, Justice, JCS, FBI and OMB and comments were requested. While I do not have a copy of the full assessment paper, I have been receiving copies of comments. Some of these reveal items with potential security impact and they may be of interest to you.
